

EXPRESSION OF INTEREST FOR DEVELOPING ONLINE CONTINUING PROFESSIONAL DEVELOPMENT (CPD) COURSES

The Mauritius Institute of Health (MIH) offers online Continuing Professional Development (CPD) to cater for the needs of medical and other health care professionals.

We are inviting candidates who are interested in developing online CPD in English and French Languages. Each CPD course should be equivalent to at **least 1 hour** of face-to-face CPD.

Applications should be in line with the following priority areas, although other areas, may be considered.

• Cardiology	• Medical Law/Ethics
• Clinical audit	• Medical statistics for research
• Clinical trials	• Non-Communicable Diseases
• Dermatology & STI	• Obstetrics and Gynaecology
• Diabetes/Endocrinology	• Ophthalmology
• Electrocardiography	• Orthopaedics
• Emergency medicine	• Paediatrics
• ENT	• Primary Health Care/General Practice
• General Surgery	• Psychiatry
• Geriatrics	• Public Health
• Infection Control	• Quality Assurance in Health Care
• Internal Medicine	• Radiology
• Medical & Health Personnel Education	• Sexual and Reproductive Health including Family Planning

Candidate Profile

1. Healthcare professionals with at least 5 years experience in relevant field.
2. Keen interest in teaching.
3. Available for developing course material with inbuilt assessment, attending meetings, briefing sessions and training workshops as and when required.
4. Fully ICT literate and
5. Good oral and written communication skills.

Note

- (i) Previous experience in online teaching will constitute an advantage.
- (ii) Selection will be based on relevance to CPD, educational value, use of online technology and soundness of proposal.

Expression of Interest

Prospective applicants are requested to forward their applications in soft version to the MIH using the template provided.

Only complete applications using the appropriate template provided will be considered.

Deadline for submission of application is 15 December 2022.

CPD developers will be awarded CPD points in accordance with regulations of the Medical Council of Mauritius.
